Dear Shen Yun Performers,

On behalf of the Virginia House of Delegates and the citizens of the 99th District, I am honored to extend my warmest congratulations and a heartfelt welcome to Shen Yun Performing Arts as you return to the Commonwealth for your 2026 World Tour.

Virginia has long been a destination that celebrates the intersection of history, artistry, and education. Shen Yun's dedicated mission to revive five millennia of traditional culture is a remarkable undertaking that enriches our community. Your commitment to preserving these ancient traditions through classical Chinese dance and music provides our residents with a unique opportunity to experience the beauty and depth of a heritage that spans centuries.

By showcasing the universal themes of courage, compassion, and virtue, you offer a performance that transcends language and connects with audiences of all ages. The mastery displayed by your dancers and musicians is a testament to the discipline and excellence we strive for in the Commonwealth. We are proud that you have once again chosen to share your world-class production with the people of Hampton Roads. Your presence here strengthens our local arts community and provides a vibrant cultural experience for families throughout the region.

Please accept my best wishes for a spectacular series of performances. May your time in Virginia be rewarding, and may you continue to inspire audiences around the globe with your breathtaking artistry.

Sincerely,

A handwritten signature in cursive script that reads "Anne Ferrell Tata".
