On the Occasion of the Shen Yun Performing Arts 20th Anniversary

It is my pleasure to extend warm greetings and congratulations on the occasion of your 2026 Virginia performances at Chrysler Hall in Norfolk on April 22–23 and on the milestone of your 20th anniversary.

For two decades, Shen Yun has brought the beauty and depth of traditional Chinese civilization to audiences around the world, reviving 5,000 years of cultural heritage through classical dance, authentic costuming, and original orchestral music. Each year, your productions reach over one million audience members across five continents, carrying a universal message of kindness, integrity, wisdom, and reverence that resonates deeply with all who attend.

Virginia is proud to be among the communities that have welcomed Shen Yun year after year. The dedication and courage your artists have shown speaks to the power and importance of the work you do. That commitment to sharing this unique cultural experience is both admirable and inspiring.

On behalf of the constituents of Senate District 38, I congratulate Shen Yun on twenty years of extraordinary artistic achievement and thank you for the joy and enrichment you bring to our community.

Kind regards,
